

# SMART FLiCK

Power and Performance in Every Charge

## ABOUT US

---

We have over 15 years of experience in this industry and have worked with many international and Indian brands. Now, we proudly introduce our own brand, **SmartFlick a brand of Om Infocom**, offering Made in India, high-quality products powered by next-generation technologies including MagSafe power banks, fast-charging power banks, Gen chargers, chargers & data cables.

## MISSION

---

To build India's leading Made-in-India mobile power brand by delivering reliable, high-performance charging solutions people can trust every day.

## CORE VALUES

---

Innovation: Fast, smart charging solutions

Integrity: Honest and transparent practices

Quality: Reliable, high-performance products

Customer First: Customer needs always come first

Sustainability: Responsible and eco-friendly approach

## VISION

---

To deliver next-generation technology at affordable prices, combining top-class quality with stylish and elegant products for today's consumers.
